

2023 Corporate Partner Membership

To keep participation ratios desirable for all attendees, NCSFA's Workshop benefits are only offered to NCSFA Corporate Partners. Any private company must be an active corporate partner in good standing to participate and attend the NCSFA Workshop.

Networking Opportunities

- Ability for **all organizational members** to have access to NCSFA members only resources including benchmarking survey, member directory, webinars.
- A company representative will be listed on the NCSFA website and added to NCSFA's email list for facilitation of networking.
- Access to the searchable Member Directory which includes contact information, bios, and an overview of the agency.
- A company representative may participate as a Corporate Liaison which represents corporate members and sits on the Executive Committee
- Company representatives may participate on standing committees along with state fleet directors and their staff
- Invited to attend periodic NCSFA Corporate Member Updates to receive organizational news from the President.
- Company representative will be added to NCSFA Member Email List

Share Thought Leadership and Exchange Ideas

- Corporate partners work side-by-side with state members to share industry perspectives at the Workshop and in topical webinars
- Ability to attend and sponsor NCSFA conferences and webinars
- Access to NCSFA's Resource Library, a central repository of public fleet educational materials.

Promotional Benefits

- Company logo featured in NCSFA homepage sponsor logo slider
- Company logo featured in Corporate Member list on NCSFA website
